sweet
peach

You want to look fresh-faced in a moment, but not serene. Enter peach! On eyes, go with a slippery version like Playhouse Venus. For a Expert Wear in Clinical Frame Eyeshadow (\$2.75, at drugstores), brush liner all around and an additional swipe of bronze pencil beneath both lines. Fill in lips with peach peach. Run top with shade to gloss. A pretty and Playhouse Venus. Softly/brush in Make-Up Ball \$5, at drugstores.
